14TH ANNUAL CHOCOLATE GARDEN

Fairchild Tropical Botanic Garden, the historic botanical garden that is one of the premier conservation and education-based gardens in the world, is welcomed back visitors to celebrate their annual Chocolate Garden, formerly The International Chocolate Week.

South Florida's favorite weekend of sweets and delights came back for the fourteenth consecutive year with new vendors and a fresh take on the event, giving visitors a chance to stroll through the lush 83-acre garden and enjoy a weekend of tasty treats and fun activations throughout.
