

THE NIGHTGARDEN IS BACK IN MIAMI AND BIGGER THAN EVER

After its wildly popular launch in 2018, The NightGarden, presented by Kilburn Live, is returning to Miami with exciting plans for its second edition. The limited-time event, taking place at Fairchild Tropical Botanic Garden, will feature an impressive roster of new activations, expanding upon the magic and wonder of its inaugural edition. This year, locals, visitors and guests of all ages can journey through an innovative augmented reality fairy quest challenge, experience even more awe-inspiring lighting displays, advanced special effects, state-of-the-art outdoor holograms, shadow sculptures and even snowfall in Miami, amongst other unbelievable surprises around every corner. The experience opens to the public on Nov. 15 and runs through Jan. 11, 2020.
