

EXPLORE THESE BELOVED SOUTH FLORIDA GARDENS

South Florida offers its sparkly beaches, wonderful nightlife and eclectic food spots. But an often under-looked aspect of our region is the luscious gardens it houses. No surprise that our subtropical climate is a perfect place for carving out breath-taking green spaces around the area. So since we know you're looking for ways to be outdoors in a safe manner, here are a few re-opened gardens where you can escape to feel free:

FAIRCHILD TROPICAL BOTANICAL GARDEN

A staple in South Florida's top gardens, this locale conserves a world of tropical plants and continuously adds to its dome with ongoing explorations of this plant category. [Fairchild Tropical Garden](#) is a unique experience with daily butterfly releases and five buildings to venture into.

Location: 10901 Old Cutler Road, Coral Gables, FL, 33156

Hours: Due to Covid, these hours vary and more information can be found [here](#).
