MIAMI, FL. (MAY 2020) – On May 1, 2020, Fairchild Farm, Fairchild Gardens very own 20-acre working farm in Homestead, Florida that grows some of the most delicious tropical fruit in the world, launched a nationwide delivery service in partnership with Miami Fruit. Miami Fruit is a fruit company that is dedicated to providing the highest quality tropical fruit from local farms in South Florida to people all over the United States. Fairchild has partnered with Miami Fruit in the past by hosting a Miami Fruit “Fruit Stand” at the garden on the weekends and continues to support them as a partner during this time.

From mangos and avocados to tamarind, jackfruit, mamey sapote, Spanish lime and more, each fruit from Fairchild Farm represents decades of exploration, collection management, research, cultivation and propagation through the [Tropical Fruit Program](#). Now in season, Fairchild Garden will begin with Mangos.

Choose from 11 varieties of mango or the Fairchild Mango Mix Box which includes all of the available and ready to harvest varieties each week from the farm. The Mix Box comes in two sizes: Small Box which contains up to 3-6 pounds for \$67 or Large Box which contains up to 8-12 pounds for \$97. Members will receive 10% off can purchase their mangos [HERE](#) and nonmembers can shop [HERE](#).

*USDA restricts the shipment of mango from Florida to California at this time. We apologize for the inconvenience.

About Fairchild Tropical Botanic Garden

Fairchild Garden is currently celebrating its 82nd anniversary in the community. Established in 1938 and comprising of 83 acres, Fairchild is a 501(c)(3) non-profit organization committed to exploring, explaining and conserving the world of tropical plants. The Garden is recognized both nationally and internationally as the premier leader in conservation and education-based programs with field operations in over 20 countries including support to protected areas globally from Madagascar to Central America. Fairchild has the largest education program of any metropolitan area, reaching more than 300,000 schoolchildren each year with programs like [The Fairchild Challenge](#), [The Million Orchid Project](#), [Growing Beyond Earth](#), and its BioTECH High School.
