

Here is a list of family-friendly Halloween parties in South Florida

Drive-thru trick or treating is the new trend

MIAMI – The deadly coronavirus pandemic is not stopping Halloween this year in South Florida, but there are some **new requirements** to help prevent infections.

Hocus Pocus witches from Homestead to Deerfield Beach will be dropping their brooms and joining superheroes to trick or treat from the safety of their fast cars. Open trunks are required at these parties.

Event organizers have ordered that even ghosts and zombies **avoid human contact within six feet**. They are also not excluding magical creatures, Cobra Kai, The Mandalorian or Harley Quinn from having to use **a face mask** with two or more layers of washable fabric.
