Friday, March 12

Fairchild Tropical Botanic Garden is a well-established benefactor of the elusive orchid. This year, the garden will host a modified version of its annual orchid festival, **Orchids in Bloom**, which will feature ten days of special programming through March 21, including live plant demos, lectures, and live music. On opening night, the garden invites orchid fans to gaze at the thousands of award-winning hybrids, popular varieties, and species that have been planted on trees and palms throughout Fairchild's rainforest. That will be followed by an open-air performance by the Brian Tate Quartet. *7 to 9 p.m. Friday, at Fairchild Tropical Botanic Garden, 10901 Old Cutler Rd., Coral Gables; 305-667-1651; fairchildgarden.org. Tickets cost \$45 for members and \$65 for nonmembers.* **Olivia McAuley**
