Fairchild Tropical Botanical Garden

Situated on nearly 90 acres of picturesque land on Old Cutler Road in Coral Gables, the Fairchild Tropical Botanic Garden is one of the city's most popular destinations, and not just for its stunning gardens and idyllic ambiance.

The garden's mostly volunteer staff offer a variety of educational and instructional programs; many of them are specifically geared toward children and touch on botany, the environment, and the importance of natural habitat preservation.

The garden's amenities include a learning center, museum, and an onsite laboratory. They also host a few popular events throughout the year, like the International Chocolate Festival.
