Miami is a city in Florida. It is the 2nd largest city in Florida.

Palm trees, vibrant colors, soft sandy beaches, and a rich blending of cultures are all iconic qualities that make up Miami, but there is so much more to discover.

Miami also has a long and fascinating history, from the Tequesta tribe that lived in the area approximately 2,000 years ago to its occupation by both Spain and Britain, the city has been shaped by numerous cultures from around the world.
