Take a look at these romantic spots and dating ideas in Miami.

Whether you are planning a romantic day trip, a night date or the best marriage proposal, Greater Miami & Miami Beach has a variety of destinations worthy of Instagram, from charming to extravagant and everything in between.

Visit A Charming Tropical Oasis

Miami is a true paradise for nature lovers. Explore one of Miami's tropical gardens and experience a variety of colorful flowers and rare flora. In **Coconut Grove**, the **Vizcaya Museum and Gardens** has a magnificent Italian mansion overlooking Biscayan Bay and extensive lands reminiscent of a secret garden, as in the movie *Great Expectations*. In **Coral Gables**, **Fairchild Tropical Botanic Garden** is an 83-acre oasis with beautiful orchids, bromeliads, fruit trees, rare plants and even an edible garden. In South Beach, stroll through the **Miami Beach Botanical Garden**, designed by local landscape architect Raymond Jungles. You will find birds of paradise, orchids and a Japanese garden with a bright red bridge that is a great place to take a photo.
