Things to do Miami

Fairchild comprises a verdant 83 acres of rare tropical plants—including palms, cycads, flowering trees, and vines—plus a 25,000-square-foot butterfly house, the American Orchid Society, and rotating art exhibits that cycle each December. When it's time to escape the chaos and grit of the city and return to nature, there's no place quite as sprawling or enchanted to indulge your senses and get grounded with your boo.

Set the mood: For your sweet-toothed sweetheart, Fairchild hosts the [Festival of Chocolate](#) each January, featuring artisan samples, cooking demos and lectures on all things cocoa.
