Sunny weather certainly calls for a date with nature, and while South Florida has some [pretty awesome hiking trails](#) to check out, sometimes the wilderness can be a little bit too much of an escape from the city. So if you're ever in the mood for some greenery to break with the brick and mortar of city life but don't feel like escaping to the wild outdoors, your best bet might just be to head on out to one of **Miami's many beautiful gardens (and beyond)** for a relaxing stroll in the sun. Check these out!

Facebook/Fairchild Tropical Botanic Garden

The sprawling 83-acre Fairchild is another wonderfully tranquil place with a great deal of nature. Bask in the beauty of lush gardens, rare palms and bamboo species, flowering trees, butterflies, and a two-acre rainforest — the *only* tropical rainforest found in the continental U.S., as a matter of fact. With so much to explore, you'll never want to leave!

Where: 10901 Old Cutler Rd, Coral Gables, FL 33156
