April 2023: Farewell ravers and spring breakers! In April, things finally begin to take on a more relaxed Miami pace as the crowds from major festivals like Ultra and Calle Ocho thin out. Still, there's no shortage of things to do in Miami this month, from the annual Miami Beach Pride celebrations to a music festival on the sand and plenty of fresh art and theater. Below, check out our all of our picks for the best things to do in Miami right now.

Things to do

Miami

What is it? One of South Florida's natural jewels, this 83-acre garden, named after renowned botanist and Miami resident David Fairchild, is filled with tropical splendor: a lush rainforest with a stream, sunken garden, dramatic vistas, an enormous vine pergola and a museum of plant exploration.

Why go? It's about the easiest, most scenic place to socially distance right now. And there are plenty of shady corners that provide respite from the summer heat.

Don't miss: Fairchild Garden's monthly programming offers activities for kids, pets and adults. Be sure to check the calendar for the [latest schedule](#).
