thecoralgablesmagazine A look at our annual Best of the Gables guide 📖

Our exceptional city has an abundance of fine dining, high culture, entertainment, and retail options. With such an embarrassment of riches, it's a challenge to decide what is best. To help us figure that out, we enlisted a panel of 30 esteemed locals, along with our staff, to vote for the "Best of" in 80 categories.

We sorted those categories under the following:

- 📍 Restaurant by nationality
- 🍴 Food by type
- 🍷 Restaurant by experience
- 🛍 Shopping & Retail
- 🎨 Arts & Entertainment
- 🏃 Sports & Recreation
- 🏛 Architecture & Public Places

We also asked you to pick the "People's Choice," which led to a surprising amount of times our readers agreed with our panel.

Whether you're looking to find a new spot or just want to have your opinion reinforced, check out the rest of the 2023 winners by tapping the link in our bio.
