*Miami is one of the most exciting cities in the United States. It has a lot to offer visitors of all ages. If you're planning a trip to Miami, Florida for your family, there's so much to see and do.*

Below, read about our favorite landmarks in the Magic City. We've organized them into five categories to help you plan the perfect trip, with something for everyone in your family.

### Encounter the Natural Beauty

The Sunshine State is known for its pristine beaches and incredible environment, and there's a lot of it to see in and around Miami. If you have a nature lover in your family, check these out.

#### Fairchild Tropical Botanic Gardens

Spanning more than 80 acres, Fairchild Tropical Botanic Gardens opened in 1938. Since then, it's been home to millions of plants representing thousands of species. They specialize in tropical plants, as their name implies and the climate suits.

You can see flora at this particular botanic garden center that you can only see in remote, far-flung places on earth. Be sure to check their events calendar before you visit in case they're doing a special exhibit.
