jenise_subervi Looking for something to do during the last few weeks of summer? We had a chance to check out @fairchildgarden's Dragons and Mythical Creatures Quest, and we had such a great time.

We encountered all kinds of fantastical beings that have chosen Fairchild as their home this summer. With dragons like the Bornean dragon, a friendly dragon, a sea serpent, a basilisk, a manticore and many more, the kids really enjoyed learning about the different kinds of dragons told in legends from around the world.

The kids had a blast taking part in a Dragoner's Waterquest, where they received a water blaster and had to find the dragon's eggs located in the garden and keep them cool. (I won't promise they won't be tempted to keep themselves cool!)

The dragons will call Fairchild their home until September 4, so make sure you check them out before then! 🐉👉
