

JURASSIC GARDEN

Get ready for an **ALL NEW** Jurassic Garden Adventure!

Welcome to Jurassic Garden at Fairchild. Here, you will experience an adventure-filled expedition with some of the Jurassic period's most remarkable and thrilling dinosaurs. You'll also adventure through pre-historic gardens and plant species that were present when these giants roamed the Earth.

Each dinosaur location contains interesting and fun facts to give you and your family a rare glimpse into the relationship between paleontology and paleobotany—as well as unique dino characteristics. See if you can find the dino that was thought to have his brain on his backside!

Our digital Pre-historic Plants self-guided tour, which you can experience by downloading our app, gives you a more in-depth view of our rare Jurassic period plants.

Jurassic Garden at Fairchild is also all about fun! So be sure to let your imaginations run wild as you sojourn through the marvelous world of Jurassic Garden, and be sure to check out our interactive experiences along the way.
