

Drawing Class with Artist Dan Bondroff Supply List

Pencils

2-3 number 2 pencils. Also known as 2H pencils

1 2B pencil

1 6B pencil

Any brand pencil will do.

Sharpie Markers

1 Black Ultrafine

1 Black Fine

Eraser

1 white plastic eraser

Any brand, avoid gummy erasers

Pencil sharpener

Any small handheld pencil sharpener. The small inexpensive metal ones work well.

A pad or sketchbook of white drawing paper

The perfect size is 11x14. Nothing smaller than 8x10.

Strathmore 300 series Bristol is nice thick paper, but feel free to get another brand as long as the paper is about as thick (100lb. or 270g/m2).

Printed photos

Print out of source photos that will be supplied as digital files before class begins.

It's possible to work from digital files on a phone or tablet, but not recommended.

Drawing board

Not necessary if you work in a sketchbook. Feel free to use one if you wish to remove pages from the drawing pad and have them loose on the table. If you do, I recommend a roll of white artist tape to adhere your drawing to the board.

Shop online www.jerrysartarama.com and www.dickblick.com

Both Jerry's and Blick have South Miami locations.

ID Art has a location on NW 79th Street in Miami.
